Herbal Moon Goddess

Abundance Attraction

Jupiter is the planet of abundance, joy, growth & success. Where Jupiter is placed on your chart indicates how you can create abundance more naturally in a way that brings you joy.

♃ ♊

Your natal Jupiter is in Gemini in the 7th house. You naturally attract abundance by sharing information, teaching or learning, especially in one-on-one sessions where you can give or receive support.

Venus is the planet of love, money & values. Where Venus is placed on your chart indicates what you strongly value & desire in life. This can give you clarity on what you REALLY want to manifest.

♀ ♋

Your natal Venus is in Cancer in the 8th house. You strongly desire to nurture others through times of transformation - running a business, making money, or during birth/rebirth/death.

Herbal Moon Goddess

Abundance Attraction

Midas is the asteroid of making money. Midas on your chart indicates how you can easily make money.

Midas ☾

You can make money easily by nurturing others through education. Teaching & sharing what you know deeply to help others feel nurtured & cared for can bring you money easily.

Abundantia is the asteroid of effortless abundance. Abundantia on your chart indicates how you naturally & effortlessly create abundance in your life.

Abundantia ☾

You can bring effortless abundance into your life in the same way that Midas brings money into your life - these asteroids are conjunct on your chart, indicating that you effortlessly create abundance AND money through nurturing others with education.

Herbal Moon Goddess

Abundance Attraction

The 2nd house indicates your desires, goals & manifesting. Looking at what sign(s) are in your 2nd house, and if any planets fall in the 2nd house, can indicate how you can tap into your innate manifesting powers.

You manifest your goals by creating an adventurous & strategic approach to bring your dreams into reality, finding an unconventional approach, and being devoted + self-disciplined.

The 8th house indicates how you can transform other's money into your money. Looking at what sign(s) are in your 8th house, and if any planets fall in the 8th house, can indicate how you can tap into your innate money-magnet powers.

You naturally gravitate towards making money by being social, talking to others & keeping busy. You also deeply desire to make money through nurturing, healing and holding space for others.

Herbal Moon Goddess

Your Abundance Tools

Based on your chart, I've intuitively channelled some ways for YOU to boost your manifesting powers & attract more abundance easily into your life.

THROAT & THIRD EYE CHAKRA HEALING

Opening your throat chakra will enable you to feel more confident to step into your true manifesting powers, and opening your third eye chakra will help you to nurture & hold space for others. Healing yourself so you can heal others is a big factor for you to move away from a state of lack into a state of abundance.

Crystals to carry: amethyst, blue lace agate, lapis lazuli, sodalite

Herbs to connect with: marshmallow root, licorice root, rosemary, sage, peppermint, juniper berry

Affirmation: I speak my truth with confidence.

Yoga poses: shoulderstand, legs up the wall, plow pose, standing forward bend, downward facing dog
